

### **Corrigendum**

***Handbook of Statistical Organization, Third Edition: The Operation and Organization of a Statistical Agency***

**Page 15, Heading A. *Structure of the Statistical System*, Subheading 2. *More than one Institution*, paragraph 41 should read as follows:**

41. The first edition of the *Handbook*<sup>1</sup> distinguished three types of decentralized systems:

- Statistical systems decentralized by subject with no central control or coordination;
- Statistical systems decentralized by subject with a minimum of control or coordination;
- A statistical system decentralized by subject with a coordinating authority.
